

PHOTOGRAPHY FOR ARCHITECTS

You will earn 4 AIA learning units!

AIA Arizona Continuing Education

You will leave these seminars with:

- Basic Camera Function- aperture, f-stop, exposure value, color temperature and how to you apply them in your photographs.
- Learn how to get the most out of the camera you already own.
- How to optimize photographs of your models for quality presentations in a controlled studio setting
- What is unique to architectural subjects, making images in various lighting conditions both natural and artificial and tips for optimizing your architectural photographs.

Presented by Jonathan Pieffer, AIA, NCARB, LEED AP
